About This Book & License

Welcome to Golden Days Word Search — a complete, ready-to-print book of 100 large print word searches built around the happiest corners of the good old days: drive-in nights, soda fountains, radio serials, county fairs, front porches and Grandma's kitchen.

Each puzzle hides 15 words in a big, clear letter grid. Words run across, down and diagonally, forwards and backwards. Every theme carries a one-line trip down memory lane, and every solution is printed in the back of the book with the answers highlighted.

HOW TO PLAY
Find each listed word hidden in the letter grid. Circle it or cross it off the list as you go. Stuck? The solutions section shows every word exactly where it hides.
